There are many personal bests being made here at these games and a great many medals being won. However, something truly unique was accomplished in the pool this week by Jason Norminton. Wednesday and today, Jason Norminton broke a pair of North American Down Syndrome Records. The records were set in the 200m individual medley and 200m individual Backstroke. If you see Jason, make sure to congratulate him!

In all, the swim team had 4 gold and a silver today.

Bowling medals were being presented today, the 5 pin team came away with 2 Gold, 5 Silver and 2 Bronze in singles play. The 10 pin team earned 4 Gold and 1 Bronze.

Soccer started their morning with a 5-0 win over Saskatchewan. A 3-1

win over Saskatchewan again this evening puts them into the Gold Medal Game at 10:00 a.m. vs Ontario Oakville.

At Softball, it was a tough pair of losses today. Saturday morning, they will be playing the Bronze medal game at 8:00 a.m. vs British Columbia

At Athletics the medal count started to rack up. In the morning, the team came away with 4 Gold, 8 Silver and 4 Bronze. In the evening, the count continued.

The Coach Darryl and Robin show will have their game face on on Saturday as the Powerlifting event will get underway. Be there early as this venue fills up quickly!

Great day from London. Manitoba is finishing the games in style!
Cheers!

Tip of the Day

Pictures: For outdoor sports, turning your flash off will generally yield better results. Some indoor sports may not allow flash photography, make sure to check with the coach or official before taking pictures during an indoor competition.
